DEAR MR DAWSON,

My Typewriter is down so hope this will do.

Please note address - didn't move - civilization has come out to us.

I just can't "join" things like I used to, but still support you in spirit. (Lot of help that is!)

Sending along my last "little" addition. If you don't have others, please advise. Maybe Santa will bring me a computer some day and I'll get it all done up and indexed.

Cordially,
Faris Sanders
